"When Was The Last Time You Gave Jesus Some Food?"

Let me ask you a question: when was the last time you gave Jesus any food? And, when was the last time you gave Jesus any clothing? Now, you might think these are silly questions. You may say, "We can't see Jesus, Jesus is in heaven, so we've never been able to give him any food or clothing." But, you know what? In our Bible story today, Jesus says that whenever we give food or drink to hungry or thirsty people, we are also giving food and drink to Jesus. And, whenever we give clothes to a person or taking care of someone who is a stranger, then we are giving clothes to Jesus and taking care of Jesus. Jesus also said that whenever we visit someone who is sick or who is in prison, then we are visiting Jesus.

So, what does all this mean? Well, Jesus loves us all so much, and so whenever we do something loving and kind for another person, then we are doing something loving and kind for Jesus. It makes Jesus so happy when we take care of one another. I know that you love Jesus, and that you want to do good things for Jesus. So, why don't you think of a way to do something nice for someone who needs you ...because each time we take care of each other, we're also taking care of Jesus. Let's pray...

DEAR LORD: Teach us that every time we are taking care of others, we are also taking care of you. Amen.
